## What is GlobalEyes?

GlobalEyes is a premier provider in the international K-12 sector, delivering training in all aspects of program development related to establishing an international student program (ISP).

## About us

We are comprised of a specialized team of industry experts who will lead you in opening your school, school board, or region to students from around the world. Services and accompanying products from GlobalEyes are the first of their kind developed and offered internationally.

## How can we help you attain your ISP goals?

Building an international student program is possible to do on your own. However, it takes a great deal of time, travel, and money to do it properly and build high-quality network of contacts around the world. Working with GlobalEyes allows you to:

shortcut some of these steps in the development process

save time, money, and energy on the path to creating global awareness for your institution

get access to a network of international agents with recommendations specifically for you

receive the best advice to negotiate the uncertainty of the COVID-19 era and beyond
