Experts in International K-12 Education

#GlobalEyesWithUs

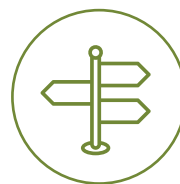

WHAT IS THE GLOBALEYES NETWORK?

The GlobalEyes Network is a Canadian based organization focused on the development and enrichment of international student programs in the K-12 international education sector.

HOW CAN WE HELP YOU ATTAIN YOUR ISP GOALS?

Building and expanding an international student program is possible to do on your own. However, it takes a great deal of time, travel, and money to do it properly. Sustainable growth requires a high-quality network of contacts around the world.

Shortcut steps in the development process

Save time, money, and energy to fast track local and global awareness for your institution

Access a network of international agents with recommendations specifically for you

Define & accomplish local growth and program refinement objectives

Receive the best advice to navigate the uncertainty of the COVID-19 era

WHO ARE WE?

Experts in international **K-12** education

Consultant for **education providers** wanting to start or enrich an ISP

Facilitator for international **recruitment agents** to access top education providers and improve industry processes

Curator of The GlobalEyes Network – the world's first full-service collective of K-12 education providers and affiliates

From start to finish, we will be your guide to ensure your program reaches its full potential.

The team at GlobalEyes has the expertise and experience to help build or restructure your program and get you noticed in the crowded field of international education marketing.

Now is the time to #GlobalEyesWithUs!

Demand for K-12 international programming has never been higher.

Let us help you take your ISP to the next level. At GlobalEyes, our mission is to support the educational enrichment of students, schools, agencies, and communities around the world.
